RE: Ca Prop 65 Statement

Dear Sir or Madam:

Panduit products are not consumer products. No Ca Prop 65 Labeling requirements exist. If a Panduit product is incorporated into a product that is sold to a consumer, that consumer product must be labeled in accordance with Ca Prop 65 labeling requirements if applicable. Panduit can provide Ca Prop 65 substance information for these type products if requested by a customer who incorporates said Panduit product/s into the product/s they are manufacturing for the consumer.

Thank you for your continued interest in Panduit products.

Please contact me with any further questions.

Sincerely,

PANDUIT CORP.
