

Subject: California Proposition 65

Dear Valued Supplier,

October 25, 2018

Please allow this letter to serve as our response to all California Proposition 65 inquiries. To our knowledge, contact with our products does not result in exposure to any of the listed chemicals in excess of the allowable thresholds. Therefore, our products do not require a label. If you have any further questions, please reach out to Julie Dargie, Distribution Manager at jdargie@standexmeder.com.

Thank you for your attention to this matter.
