Text Search: 'CPP32WBLY'

Your search criteria matched only one product, shown below

CPP32WBLY

- Accept *Mini-Com*® Modules for UTP, fiber optic and audio/video, which snap in and out for easy moves, adds, and changes
- Conserve valuable rack space, but may be limited to specific modules (UTP)
- Pre-printed numbers above each port for easy identification
- Mount to standard EIA 19" racks or 23" racks with optional extender brackets
- Angled patch panels facilitate proper bend radius control and minimize the need for horizontal cable managers
- Enhanced Label version of 48 port high density patch panels can only accept UTP modules
