TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
2 POS. Plug HSG. AMP SUPERSEAL 1.5 SRS..

Description of Changes
This Product Change Notification (PCN) is to inform about a transfer of mold tool(21-0067042) from Supplier Italy to TE Wagholi India. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products, including internal release and product validation as per OEM/CAM requirements, where applicable. The new manufacturing location operates under a certified quality management system in accordance with defined requirements. Level 2 PPAP /PSW will be prepared and submit for approval, a request via ePPAP (via www.te.com or request to TE Sales representative) needs to be initiated by Customer within 2 weeks after receiving of this PCN

Reason for Changes:
As a result of a thorough analysis of demand picture, matching our customer needs, we are going to optimize value stream of PNs in scope of this PCN. This transfer will support the need of our customers for shorter lead-times and optimized value streams. "This PCN is limited to TE India customers".
